

Activity Calendar

At Vineyard, we grow purposeful communities that make a positive impact on both people and our planet. This translates into a continuum of personalized care, thoughtful programming, and customized activities that aim to engage, inspire and elevate your life at every stage.

RESIDENT EXPERIENCE PROGRAMMING

THOUGHTFUL - We strive to make a positive impact on our living community, the greater community and the people therein which is why we develop initiatives that encourage you to interact and take part.

HEALTHFUL - With a more thoughtful approach to care, community, activities and even dining, we continue to evolve our efforts to offer a healthier - and happier - lifestyle.

RECREATIONAL - Our wide range of recreational activities and purpose-built amenities provides you with the freedom and flexibility to get more out of every day, safely.

INTELLECTUAL - We foster new skills and old hobbies that lead to a higher level of engagement and personal growth.

VITAL - We believe that a purposeful life starts with physical, spiritual, social and emotional experiences with those around you and our programs and activities are developed to offer just that.

ENVIRONMENTAL - We remain committed to a cleaner, greener and more prosperous community both on and off our properties and invite you to join us in leaving everything better than we found it.
